Guided experiences in the Greater Sossusvlei Area

Sossusvlei Excursion – Early in the morning, after an “Early Bird” breakfast at the lodge, the tour sets off in air-conditioned 4x4 vehicles towards the national park. From there, sandy off-road sections lead to Deadvlei and Sossusvlei. The famous dunes can be climbed, or simply admired in the stillness of the desert. The guides share fascinating insights into life in the desert, and a picnic is served in the park. On the return journey, Sesriem Canyon is well worth a visit. Guests return to the lodge in the early afternoon.

Horse riding – The Sundowner horse ride is a special experience. In the late afternoon, you ride in a group to a vantage point where you can enjoy a cool drink whilst watching the sun sink below the horizon of the Namib Desert. For early risers, a ‘Morning’ horse ride is also available.

As a special highlight, we also offer horse-riding trips with an overnight stay in the desert. Further information is available on our **website** or at reception.

Sundowner Drive – A game drive in an open-top 4x4 takes you into the Namib Tsaris Nature Reserve in the late afternoon. Mountain zebras, oryx and springboks are frequently spotted, and with a bit of luck, you might even see some predators. On a small hill fringed with red sand, you'll celebrate the moment of the day when the sun sets behind the dunes of Sossusvlei.

Self-guided activities

Hiking and Jogging – A well-marked hiking trail leads across the lodge's local hill and through the desert landscape. Joggers can also follow a marked circular route of around 12 kilometres.

Self-drive scenic route – The route passes through three private nature reserves: the Namib Tsaris Nature Reserve, the NamibRand Nature Reserve and the Pro-Namib Nature Reserve. Along the D845 and D827, open plains, mountain ranges and striking view-points alternate throughout the journey. Packed lunches and maps are available on request at reception.

Balloon Safari – From a hot-air balloon, the Namib unfolds below in a pattern of dunes, mountains and dry riverbeds, making even vast landscapes appear small from above. The flight departs from a neighbouring farm, where guests are welcomed by an experienced guide.
