Daily tours through the Ondili Kalahari Reservat

Sundowner Drive – In the late afternoon, guests set out on a game drive through the wildlife-rich dune landscape. From a viewing dune, you can enjoy the sunset whilst sipping a selection of cold drinks. As the sky glows in warm colours, the red dunes are bathed in a soft, atmospheric light.

Morning Scenic Drive – After an “Early Bird” breakfast, guests set out on a game drive at first light. In the fresh morning air, many animals are particularly active, while the soft light creates striking photographic opportunities. This tour is ideal for guests arriving the previous evening who would like to experience the beauty of the Kalahari the following morning.

Hiking – A signposted path starts right outside the Teufelskrallen Lodge and, after crossing the road, leads into the Kalahari Nature Reserve. There, you can choose from several varied walking trails through camel thorn savannah and across red dunes. Walking maps are available at reception.

Jogging – A suitable route also begins directly at the lodge and leads across into the nature reserve, where it joins the cycle path. With no sandy or dune sections, the route is well suited to a run through the open savanna.
